Dear Pastor, Minister, or Promoter,

Thank you for considering us to share the gospel in music at your church or event. We would like to take this opportunity to tell you a little about our ministry. The Foundations are a southern gospel group based out of Greeneville, TN. The group was conceived in July of 1992. Ronnie Thompson and his son Stephen had played together in a regional quartet since 1988. While they enjoyed using their talents, they had a desire to create a ministry focused group. After much prayer, they followed the Lord's leading and began a new work...Foundations Ministries. The namesake verse for the group is I Corinthians 3:11 "For other foundation can no man lay than that is laid is Jesus Christ."

In the early years the group went through many personnel changes and sang mostly in the area around Greeneville. The current line up has been together since the mid-1990's. Along with this solidarity of personnel, the "mission field" has expanded. As a regional group, The Foundations work primarily in Tennessee, Virginia, North Carolina and South Carolina. The Foundations are always sensitive to the Spirit and are willing to journey wherever the Lord leads and confirms.

The Foundations schedule mainly consists of church concerts in the region. Recent years have found them on the rosters of festivals and other events such as: Apple Festival in (Erwin, TN), Iris Festival (Greeneville, TN), Grand Ole Gospel Reunion and Castlewood Annual Gospel Sing (Castlewood, VA).

The group's musical style is Southern Gospel. They use a mix of old standards and hymns with some modern favorites thrown in for good measure. They use a combination of live band music and soundtracks during their presentation of the greatest story ever told through southern gospel music.

Again, we thank you for the prospect of ministering at your church or event. Please feel free to contact us with any questions or concerns. Until then, may God pour His blessings upon you.

In Christ,

The Foundations
